

PICK UP DIRECTIONS TO FULLER LABS:

- ➡ = Vehicles travel path to Fuller Labs coming from Salisbury Street for Boys Scouts students' pickups. Vehicles must line up along the right side curb on Salisbury St leading to West St coming from the Park Ave direction. Continue on West St and lining up along the right side curb up to the Boy Scouts Volunteer at the corner of Goddard Hall.
- ➡ = **No Parking/standing (front of Atwater Kent).** Path must maintain clear at all times for emergency vehicles at all times and regular traffic flow.
- 😊 = Boys Scouts volunteers assisting with getting the paper with the student's name given at registration. Volunteer calling it at the Pickup site for release of students once the vehicle arrives at the pickup location.
- 😊 = Boys Scouts volunteer at pickups section between the library and Fuller Labs. Pickups vehicles shall line up to the front of the library. Parents **must** wait in vehicles for their child. NOT leave the vehicle. Drivers **MUST** stay in the vehicle at all times.
- 😊 WPI OFFICER: Handling traffic flow.

DROP OFF REGISTRATION LOCATION AT ALDEN HALL LOBBY:

- ➡ Boys Scouts vehicle drop off line up at West Street. Line up along the right side curb all the way in front of Higgins Labs, Bartlett Center and Alden. Leaving a path for emergency vehicles. After drop off vehicles will exit down West Street towards Institute Road.
- 😊 Boys Scouts Volunteers assisting with the traffic drop off Flow and providing the students pick up card.

Reminder: Parents must pick up the authorization paper with student's name for pick up at 4pm. They will have to provide it to the Boys Scouts volunteer a pick up location in order for student to get released. **Parents wanting to drop off the kid personally will have to park at West Street lot and walk up to Alden Hall. No parking at the Quad or Beechtree Circle.**

7am-9am: This area will be blocked off for Boy Scouts drop off vehicles only. Other vehicles needing access to Quad would enter thru Riley and Daniels Hall unless it's an emergency vehicle.
